

Circle rolls from
right side of screen
to left

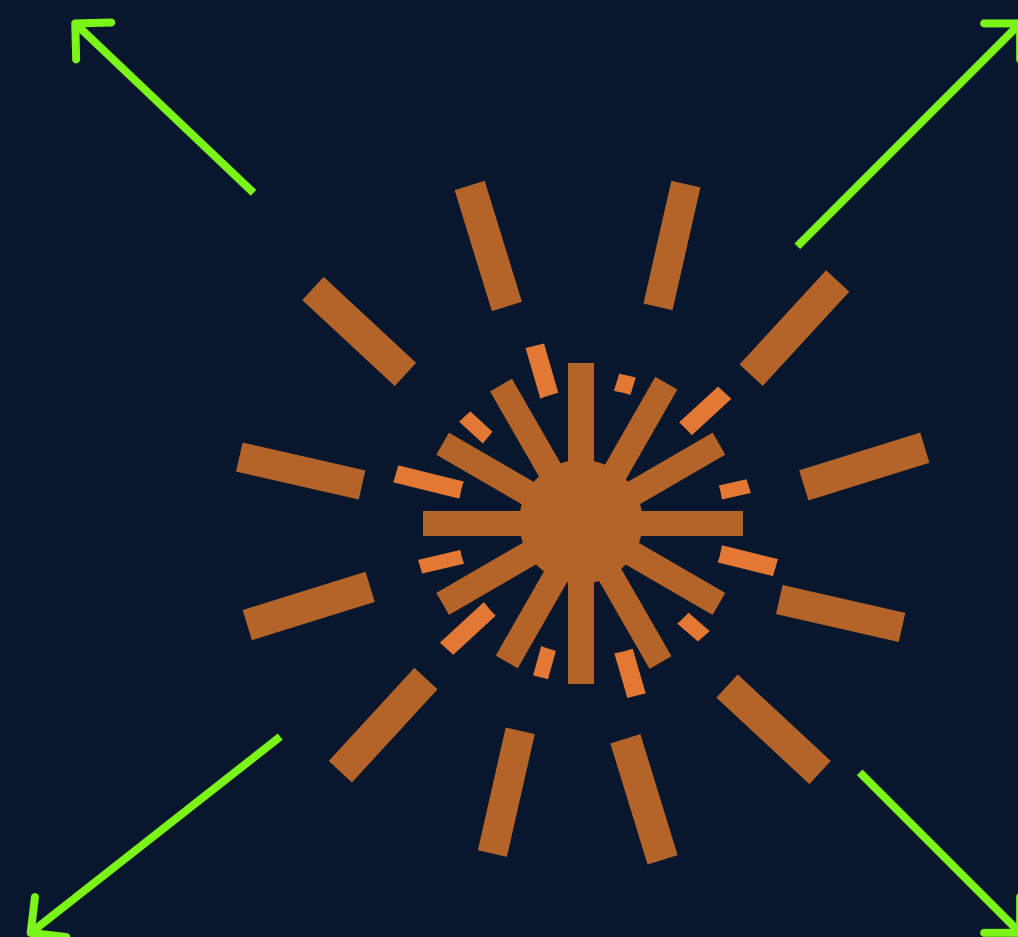

Circle reaches
stoping point

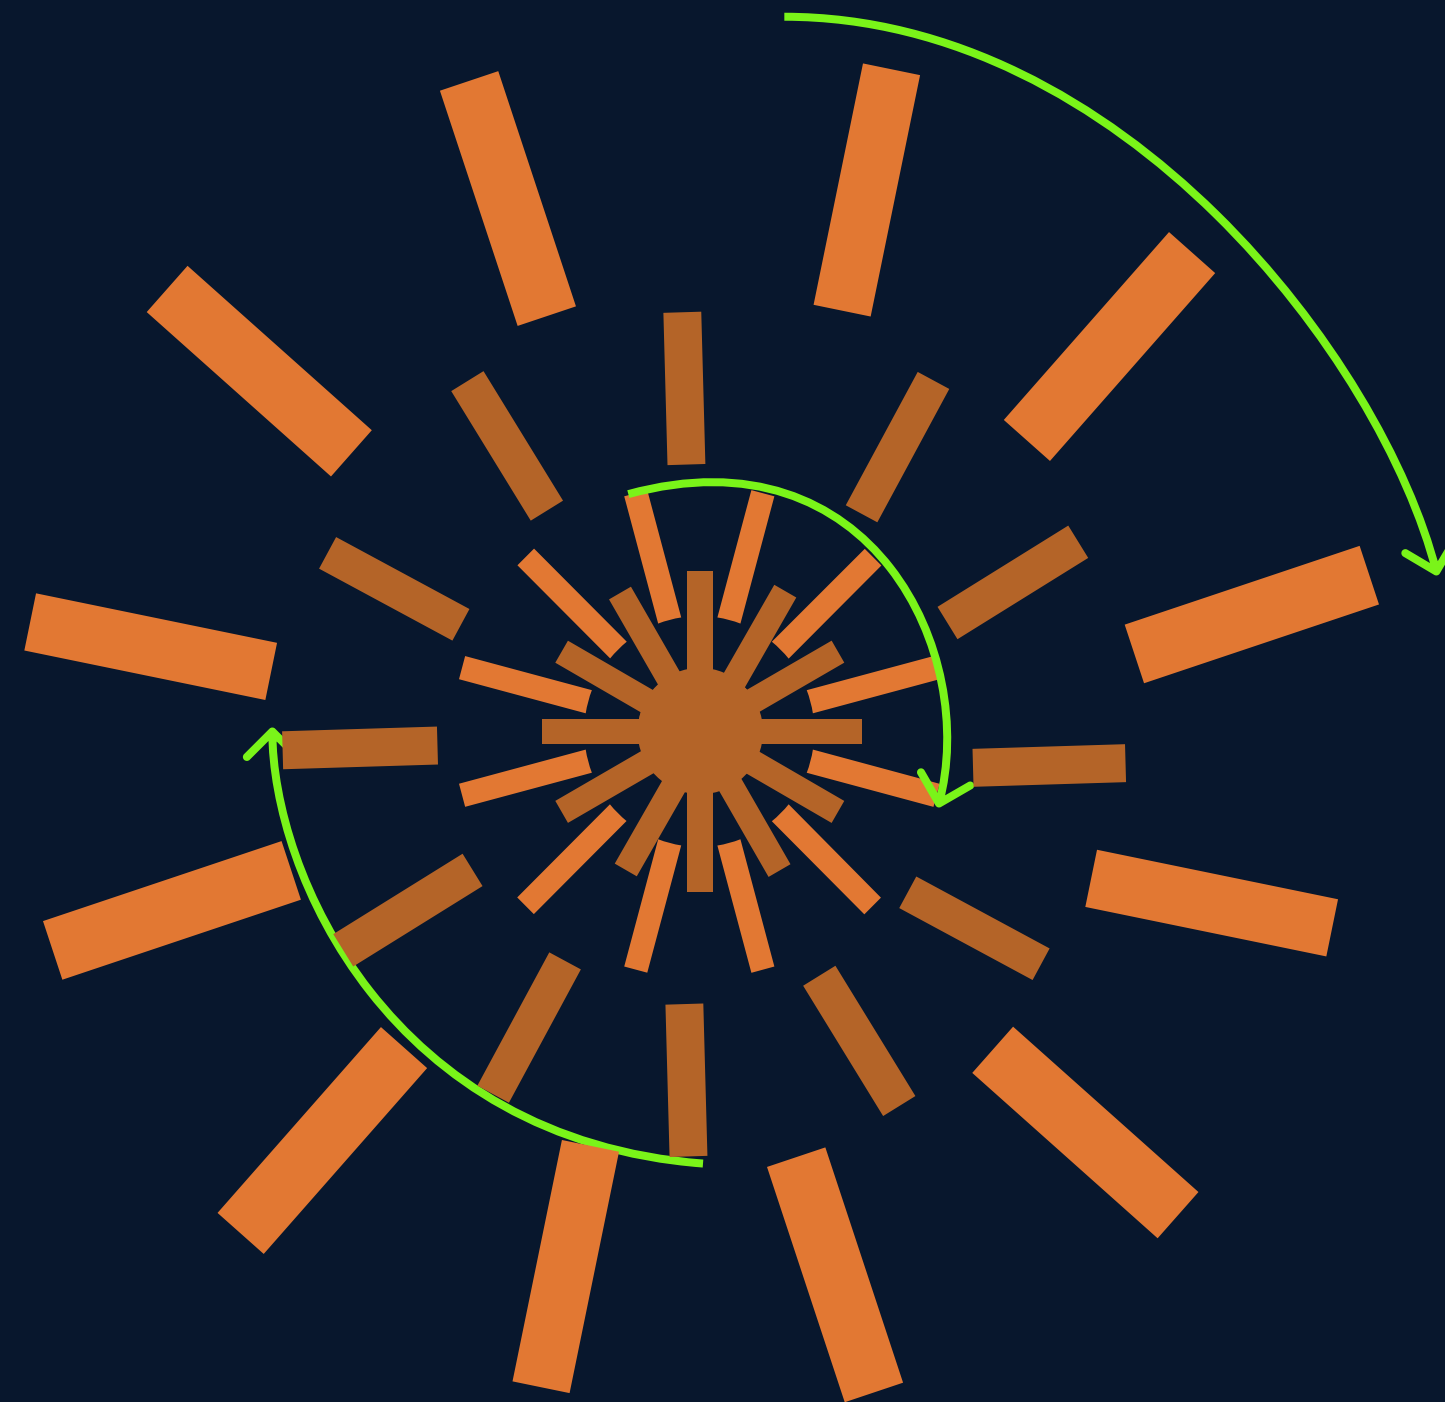

As ball lands there
is a bounce

Sparks begin to
expand out of circle

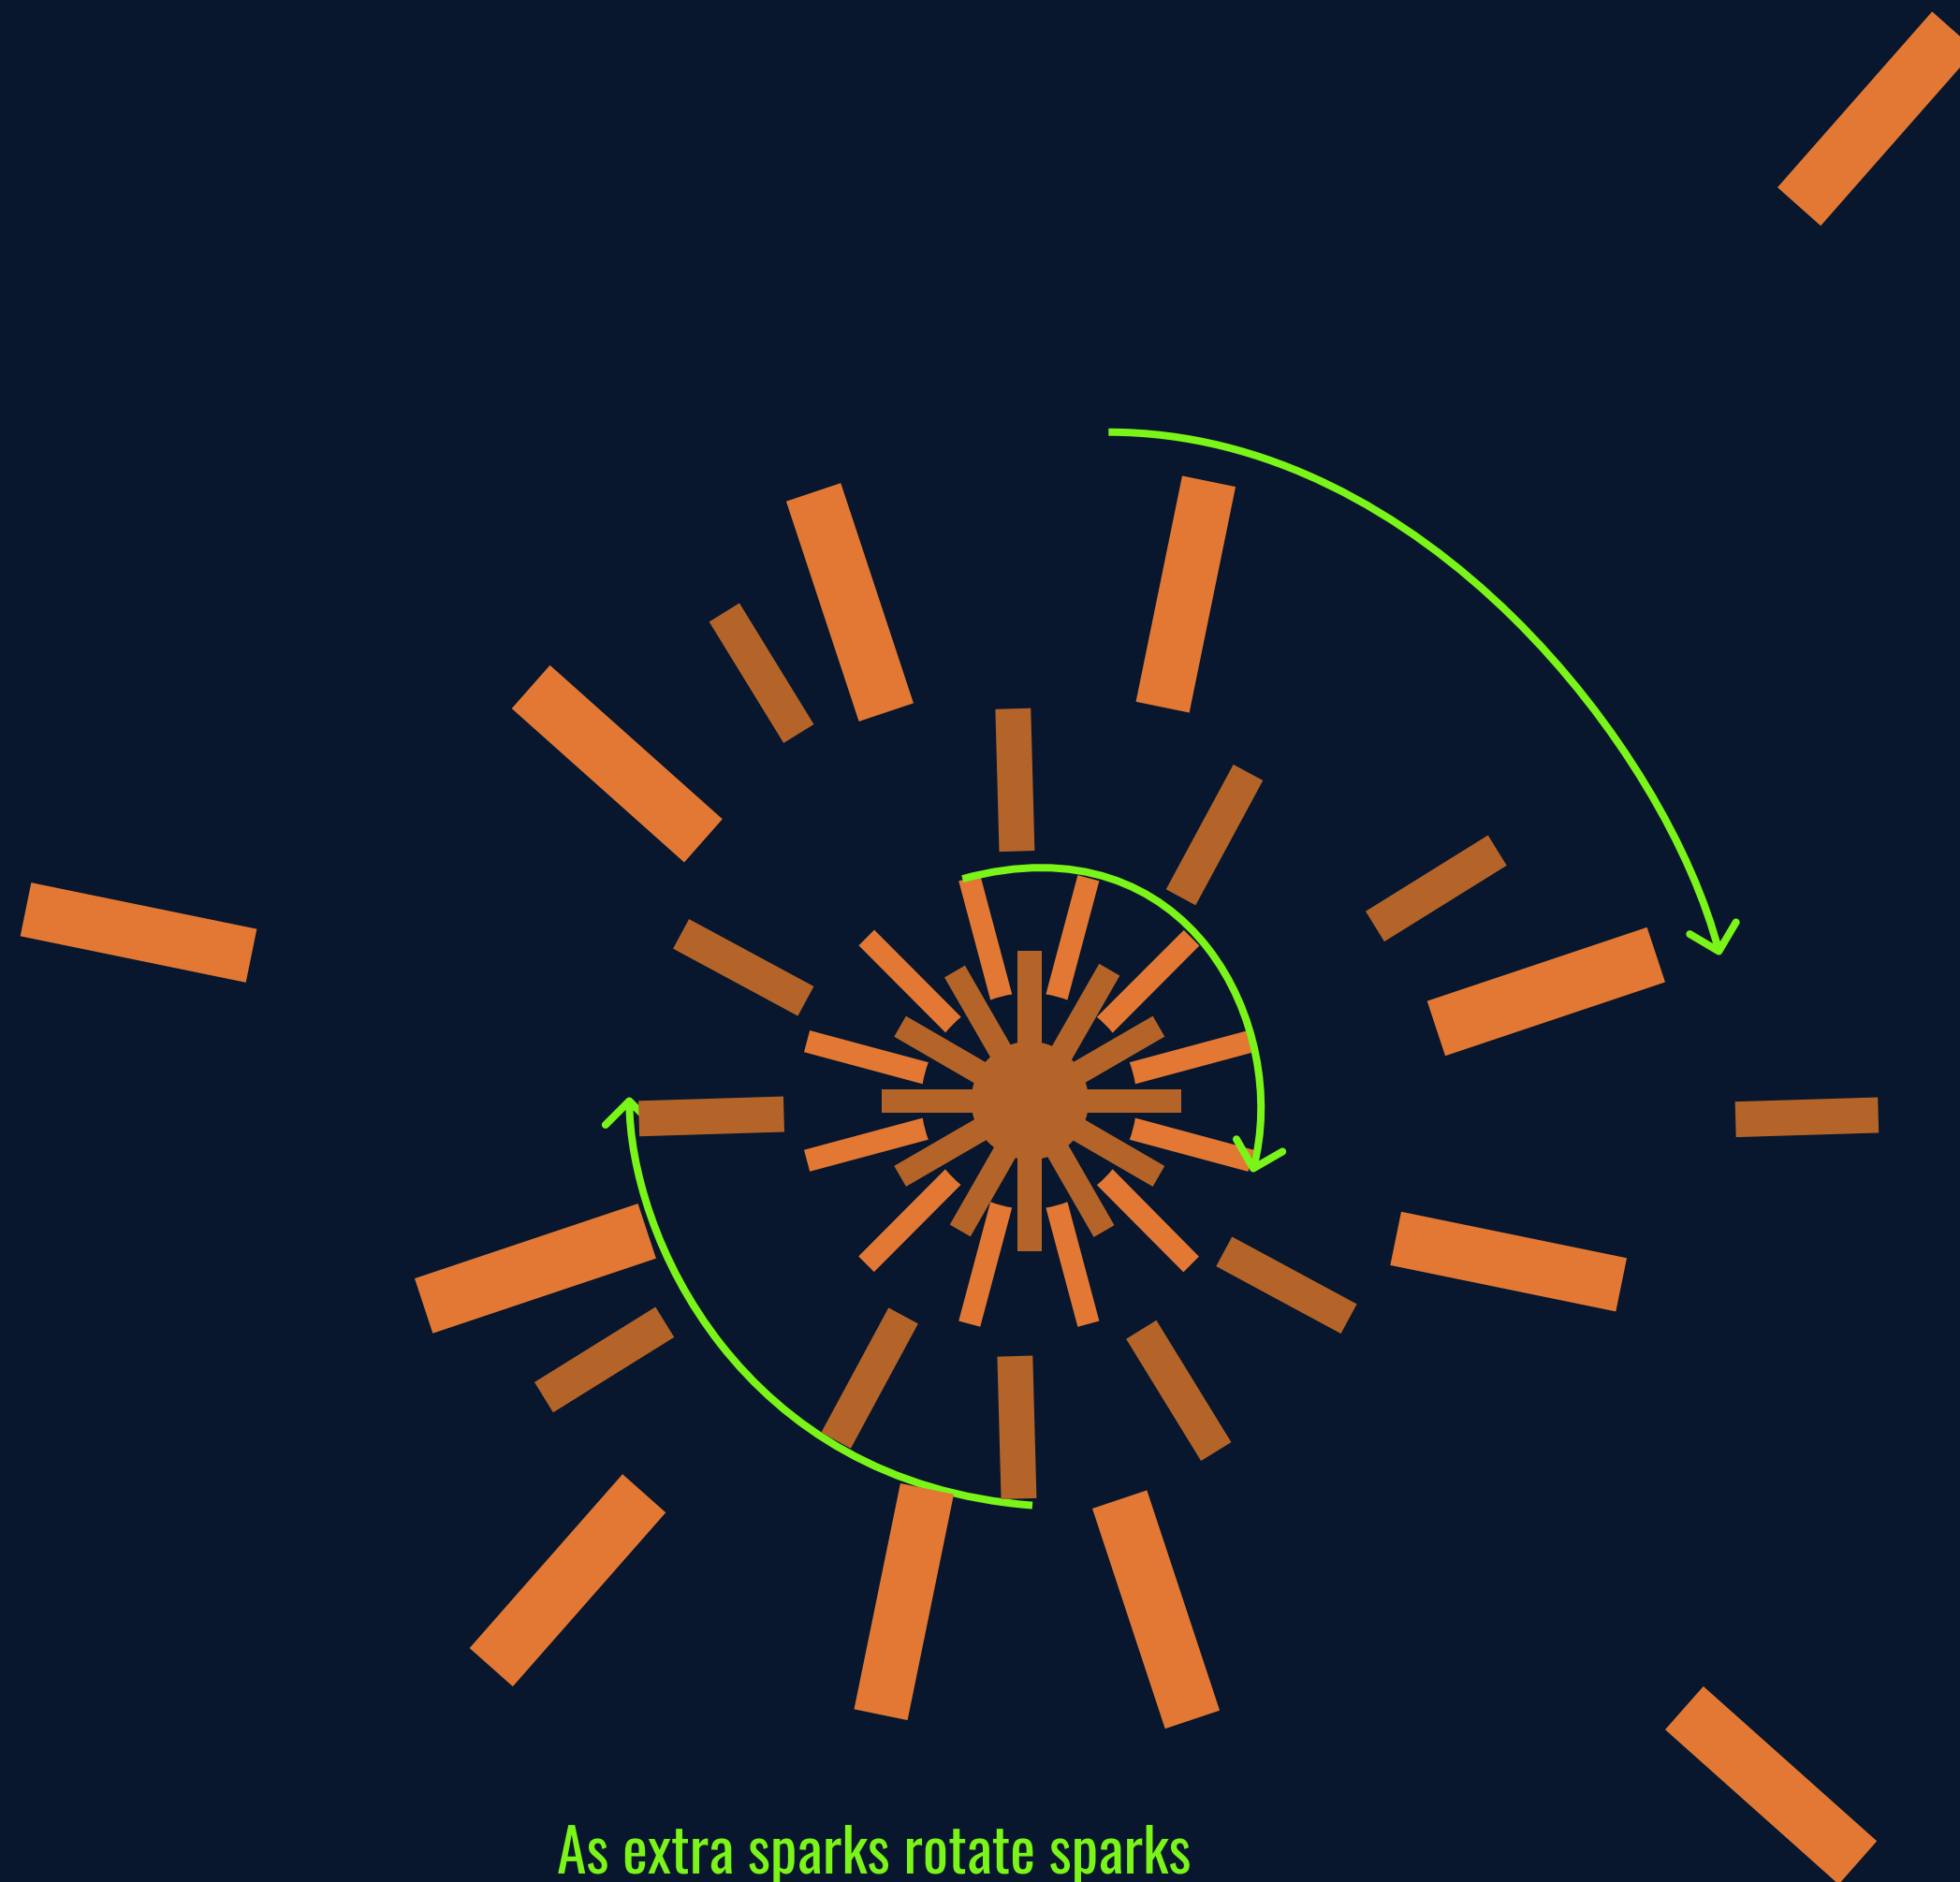

More sparks begin
to expand out of
circle after first set
is at full size

More sparks begin to grow out

Then extra sparks and logo
begin to rotate in opposite
directions

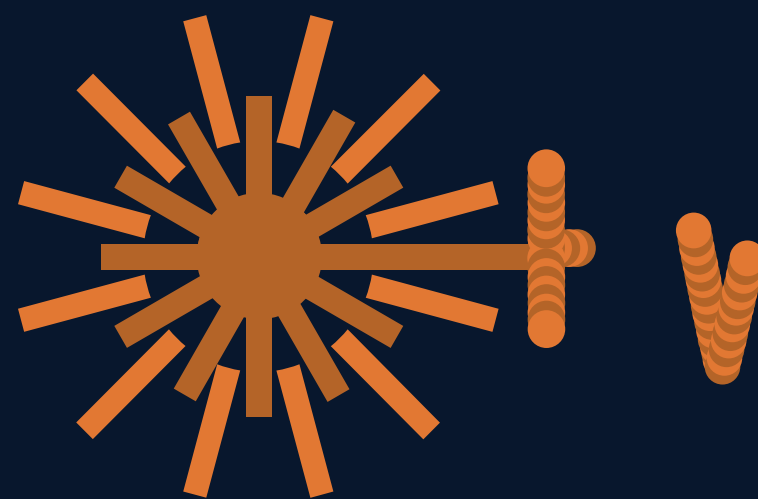

As extra sparks rotate sparks
will begin to shoot out of
rotation and exit screen untill
they are all gone

Logo stops spinning and
extra sparks are gone

Spark4 from inner
spark begins to
grow towards the
right

Spark4 begins to
form an E and M

E and M are formed

Supporting text
begins to fade in

Supporting text is
done

All text begins to
“cool off” and fade
into final blue color

E and M begin to
fade into normal
letters

Logo is finished
